

Dear Faith in Action Partners:

Welcome to the 80th Anniversary Designated Giving Registry. Those who founded First Baptist Church of Lincoln Gardens in 1937 and those who later built our first building had a bold vision grounded in faith, determination and sacrifice. They had big and seemingly unrealistic dreams to settle for nothing less than achieving their goals and leaving a legacy for generations to come. Living the Legacy now includes an edifice that is also the result of years of prayer and sacrifice. We thank God for blessing us with one of the finest facilities in New Jersey.

In the fourteen years we have been at this location, our scope to improve and enhance our multi-million dollar facility has never been greater. I praise God for sustaining us through the years and that we are blessed with resources to continue the good work set before us. Major improvements will include:

- New air conditioning units
- Entrance Canopy
- Designated Youth Space
- Multimedia Upgrades

Our 2017 theme is “Living the Legacy.” I hope you participate in this season which will undoubtedly leave a legacy for years to come. Prayerfully consider sponsoring one of the items described in this registry. If God leads you to give, we will humbly accept your gift(s) and place it in its proper place in the church. Please visit www.fbcsomerset.com to access the registry online and submit your order form. Please contact Sally Nash at 732-828-2009 and arrange a meeting with me to discuss your intentions to sponsor one of the big ticket items that will support building our Legacy.

God bless you,

DeForest B. Soaries, Jr.
Senior Pastor
