

Pastor's 30th Anniversary Committee

FBCLG, Somerset, NJ 08873

January 2020 Update

Celebrating the Contributions & Legacy of Pastor Soaries, First Lady Soaries & the Soaries Family

Greetings and we hope this message finds you in good spirits as we pray for continued blessings over you.

Plans for Pastor's 30th Anniversary celebration are underway. The team is currently focused on a series of events throughout this year, including media presentations, a musical tribute, a community event, celebration of our First Lady, and dynamic preaching. As we map out each event and our celebration schedule, we'll send periodic updates.

There's much work to be done and a place for everyone. Those who have already reached out with offers to assist will be contacted as soon as roles are identified. Assistance for specific needs will be solicited via Faith in Action Central.

This is a wonderful moment in time where we get to unite in celebration of our pastor, Rev. Dr. DeForest B. Soaries, and ensure he feels how much we appreciate his calling, his work, his dedication and his sacrifices over these three decades. And we all know, none of this would have been possible without First Lady Donna Soaries and the support of the Soaries family.

We're excited and welcome your discipleship, support and prayers.

Many Blessings, The 30th Anniversary Committee,

Sonja Asante, Co-Chair Steve Cooper, Co-Chair
